2 Important Tips

-Since so many mortuaries insist you buy their casket to take advantage of their “package price” we’ve calculated the cost of a full service funeral if you were to buy each item individually. Discovery: Often, itemizing saves more than the package discount when you bring a casket you made or bought elsewhere.

-Don’t necessarily go to the mortuary closest to your house: Funeral directors don’t mind distance. You won’t notice any experiential difference between a distant funeral home and a close one unless you need to use their facility for viewing & funeral.

The 3 Categories in Our Price Comparison Chart

Full Service Funeral (Itemized): in this survey includes: the non-declinable fee, transfer of remains, embalming, other prep –which is hair, makeup, dressing, casketing-, **1 hr viewing, the funeral service** (neither at mortuary), **committal service, hearse, utility vehicle**).

A full-service package does not include:

Casket, Obituary, Flowers, Burial clothing, Longer viewing or visitation, Extra certified copies of death certificate, M.E. permit if burying out of state, nor **Cemetery fees** (add \$1-3K+): plot, vault or grave liner, graveside chairs, awning, fake grass, opening/closing, grave marker, and other things not specifically listed.

Direct Cremation Package here includes paperwork, permits, a casket (particle board or cardboard), a box for the ashes (called “temporary container” in the vernacular of the funeral biz), and the actual cremation.

A memorial service *held after* cremation is simplest to arrange without a funeral director.

A funeral service *followed by* a direct cremation can be accomplished easily as well.

Forwarding of Remains: If you want embalming, this is an economical way to purchase (1) retrieval of the body (2) death certificate (3) burial transit/M.E. permit (4) embalming. Then the Funeral Home can turn the body over to the family to: hold meetings, ceremony & delivery to final resting place on their own.

See how many things families can do themselves:

Things not usually needed in red and Things family can do themselves in blue:

-Procuring paperwork,

-Embalming

-Body prep (bathing, dressing or other custom)

-Hearse

-A van or truck to transport casket

-Directing people and casket during gathering

-Obituary (a free death notice can be published)

-Video or Audio recording of ceremony,

-Transporting flowers to chapel and graveside

-Lowering casket into grave (depends on cemetery)
